The York County Veterans Outreach is honored to be the beneficiary of this year's Custom Car & Bike Show. This annual event is hosted by the Church of the Open Door in East York and will be held on Saturday, May 25. All funds raised will benefit our York County veteran community. We hope that you will support our effort by joining us as an event sponsor, or by donating a good or service to the exciting live auction being held that day.

The York County Veterans Outreach mission is to address individual veteran needs in the community while financially supporting other local non-profits that assist our veterans. Through close partnerships with the York County Department of Veterans Affairs, the YORKVET Network, and our local, state, and federal elected officials, we are continually able to address immediate and long-term needs as they arise. **Most importantly – funds raised by the York County Veterans Outreach benefit veterans right here in York County.**

The Church of the Open Door and the York County Veterans Outreach are deeply appreciative of all the sponsors, auction donors, volunteers, and car/bike enthusiasts who made last year's show such a remarkable success. We hope that you will join us in supporting this year's event and our York County veteran community.
